

MATERIALS MANAGER DEVELOPMENT & MENTORING

Dynamic leadership. Innovative energy. Team building capabilities. It's worth investing in your materials manager's development... because the right strengths in this department can make the difference between a weak, disjointed supply chain and one that builds the solidarity and success of your whole organization.

Do you have a materials manager with plenty of potential, but a lot to learn? Or one who's done so well that it's time to challenge him or her to a new level of performance? Expert coaching from QHR consultants is the answer you've been looking for.

We'll help your materials manager:

- Learn communication and consensus building methods
- Identify opportunities for cost savings and service improvements
- Develop customized strategies to implement improvement initiatives
- Inspire multidisciplinary teams to follow through on objectives
- Utilize QPerformanceTrac to monitor ongoing performance
- Adapt to change with creative problem solving techniques

It takes an extraordinary leader to lead excellence. Step up supply chain performance, with QHR's Materials Manager Development and Mentoring.
